Greenup, his wife LesLee, and their young son currently reside in Creedmoor and are working with the City staff to coordinate and conduct basketball clinics during the fall and spring of the year. GreenupCamps was founded by Anthony "Airport" Greenup. Anthony was born in Baton Rouge, LA and it was at a young age that he decided that basketball was the career that he wanted to pursue. Realizing that education is important, he attended Shaw University in Raleigh,

NC to play on the collegiate level. After playing for the *Charlotte Bobcats* for a brief time, Anthony decided to join the World Renowned *Harlem Globetrotters*. Now in his 8<sup>th</sup> year with the team, Anthony is giving back in his community by using physical and extracurricular activities to promote work ethic, social skills, and teamwork in today's youth.
